Correct answer

Question 1
0 / 0 pts

The People vs Hall case extended the legal protection to the Chinese in California.

- True
- False

By denying the Chinese the right to testify against whites in court, this meant that they did not have legal protection should crimes be perpetrated against them.

Correct answer

Question 2
0 / 0 pts

Similar to the social construction of race, the worldview of Orientalism emerged during the age of European imperialism.

- True

Orientalism is indeed an example of "race-making" as European empires colonized different people throughout the world.

- False

Wrong answer

Question 3
0 / 0 pts

The presence of Western recruiters in the Guangdong province was a major pull factor in the eventual Chinese labor migration to the US west.

True

The presence of Western recruiters of Chinese labor was localized in the migrant's place of origin, which makes it a 'push' factor, the a pull factor.

False

Correct answer

Question 4

0 / 0 pts

Similar to European immigrants workers in the east, the Chinese workers could be best described as voluntary wage laborers planning permanent settlement in the United States.

True

False

This is important to recognize, since during the anti-Chinese movement, the Chinese would be typecast as slave-like 'coolies' within political rhetoric.

Correct answer
