Correct answer

Question 1
0 / 0 pts

One reason for the shift in foreign policy towards U.S. imperialism was the official end of continental westward expansion by 1890.

- True

As mentioned in lecture, westward movement did not cease upon reaching the Pacific shores; rather, this expansionism would now take place towards the Pacific region/Asia.

- False

Correct answer

Question 2
0 / 0 pts

_____ is a term used by academics to refer to the "mother country" of an empire.

metropole

metropole

Correct answer

Question 3
0 / 0 pts

One reason for the tradition of isolationism was the existence of "economic overproduction" during the early 1800s.

- True
- False

During the earlier decades of the 19th century, the country's industrial output was readily absorbed by internal demand; thus there was no need perceived need for foreign markets.

Correct answer

Question 4

0 / 0 pts

The United States has its origins as a "settler colony" of the English empire.

- (●) True

Settler colonialism is an approach marked the significant migration of persons from "metropole" to "periphery." Indeed, the settlers would eventually displace the native inhabitants within the entire country by the late 1800s.

- ( ) False
